Irvin –

I will be out of the office tomorrow on annual leave so I will not be able to do a call tomorrow. It seemed like Johanna needed a quick turn-around from when she spoke with my HQ Congressional colleagues. Have not yet heard from Johanna, but if it works best for both of you to reschedule to tomorrow, I have learned that Tom is available after 11:00am PT tomorrow. Please suggest a time for tomorrow after 11:00am PT that would work for both you and Johanna. I could have my backup Congressional colleague, Dean Higuchi, assist with the call.

Hi Brent,

Would it be possible to do the call tomorrow? I will be out of the office for a few hours this afternoon, so tomorrow works best. Please let me know. Thank you.

My colleagues in HQ Congressional have asked me to follow up on the inquiry today from Johanna regarding the Exide permit issue. My colleague, Tom Huetteman, Assistant Director in our Land Division and I could do a call with you today at 1:30pm if that would work on your end. Please let me know if this time would work for both of you. If so, I have set up a conference line for us to use for this discussion and am providing both the call-in number and access code to join the call.
